1. ACCEPTANCE OF ORDERS AND CONTRACTS All orders and contracts accepted or entered into by a representative of the Company are subject to, and shall not be binding on the Company until, acceptance and approval by the Company. Goods sold shall have the benefit of any warranty given by the Manufacturer. The Manufacturer and the Company assume no responsibility for defect, damage or loss caused by or during installation or removal, or the unauthorised repair, of the Goods.

4.2 The Company's liability for breach of the terms of this contract, breach of warranty, or breach of a Condition or Warranty implied by the Competition and Consumer Act 2010 (Cth) or otherwise implied into these terms by law shall hereby be limited to one or more of the following remedies, the choice of which is solely at the discretion of the Company: the replacement of the Goods OR the supply of equivalent goods OR repair of the Goods OR payment of the cost of repairing the Goods OR of the cost of replacing the goods or of acquiring equivalent Goods.

4.3 The Company shall under no circumstance be liable in any way whatsoever to the Customer or any other party for any crop losses or other consequential or indirect losses or damage of any kind arising directly or indirectly out of the supply, performance or use of the Goods or out of any breach of contract, negligence or other tort.

4.4 To the extent permitted by law, the warranties and remedies contained in this clause 4 exclude and replace all other warranties and remedies, express or implied, whether arising from the Sale Of Goods Act (Qld) 1896, the Competition And Consumer Act 2010 or otherwise, including warranties of merchantability, fitness for particular purposes and all other obligations or liabilities of the Company Or Manufacturer.

4.5 No agent, employee or representative of the Company has authority to waive, alter or add to the provisions of this warranty, nor to make any representations or warranty not contained herein.

4.6 The Purchaser represents to the Company that if a water supply is involved, unless otherwise specified, the water is clean and free of impurities AND that Goods are required for the Customer's Specifications detailed to the Company and for no other purpose, and agrees to indemnify the Company against all loss and expense suffered and incurred by the Company arising out of the falsity or breach of the said Representations.

5. ADVICE

5.1 Any advice, recommendation, information, assistance or service by the Company in relation to the supply of Goods or use thereof is given in good faith and is believed to be appropriate and reliable. The Customer warrants and agrees that it will not rely on any such advice, recommendation, information, assistance or service, but enters into this agreement and acquires the Goods in reliance on its own judgment and with full opportunity to gain independent advice as to the nature and quality of the Goods and their suitability for the Customer's needs and specifications.

5.2 Any liability arising out of or in respect of such advice, recommendation, information or service provided by the Company is hereby excluded.

6. FORCE MAJEURE The Company shall not be liable for failure or delay to supply the goods due to a cause beyond its control including but not limited to acts of God, strikes, lock outs or other industrial disturbances, fire, flood, explosion, riot, government interference and the like.

7. RETENTION OF TITLE

7.1 As long as the Customer owes the Company any part of the price of Goods supplied at any time, the Company shall retain the legal title to all Goods supplied and not yet used or resold in the ordinary course of business.

7.2 When such Goods are used, even with the loss of identity, the legal title to the resultant product ("Resultant Products") shall vest in the Company.

7.3 Where the Company retains title, any Proceeds of sale of such Goods or Resultant Products must be received and kept by the Customer as trustee for the Company, be banked into a separate account, and be accounted for to the Company on demand.

8.4 The Customer shall pay all costs and expenses (including legal costs on an indemnity basis) incurred by the Company and/or its agents in relation to the recovery of any overdue account. The Customer further acknowledges that those expenses may be calculated on a commission basis at a percentage rate of up to 22% of the amount owing and expressly agrees to pay those expenses. Amounts received by the Company may be applied first against the costs of debt recovery and interest charges, and then to the overdue account.

9. SECURITY INTERESTS AND PERSONAL PROPERTY SECURITIES ACT 2009 (PPSA)

9.1 Terms that are defined in the PPSA have the same meaning in this agreement as in the PPSA.

9.2 The Company's Security Interests under this agreement are continuing interests irrespective of whether there are monies or obligations owing by the Customer at any particular time, and may be registered by the Company under the PPSA.

9.3 The Customer acknowledges that, where any part of the purchase price for Goods remains outstanding, or where amounts are outstanding under a contract for the hire of Goods (where the hire is a PPS lease or constitutes a Security Interest), the Company shall have registrable Security Interests in:

a) Goods to which the Company retains title, including hired Goods;

b) Resultant Products to which the Company acquires title;

c) The proceeds of any Goods to which a Security Interest attaches under this agreement.

9.4 Where permitted by the PPSA, the Customer:

a) waives any rights to receive the notifications, verifications, disclosures or other documentation referred to in the PPSA;

b) contracts out of sections 95, 96, 121(4), 125, 129, 130(to the extent possible), 132(3)(d) and (4), 135, 142 and 143 of the PPSA, and nothing in those sections will apply to the sale of Goods under these Terms;

9.5 Where the Company has rights in addition to those contained in the PPSA, those rights continue to apply.

9.6 The Customer must immediately upon the Company's request, do all things and execute all documents necessary to give effect to and preserve the priority of the security interests created under these Terms or arising under the PPSA.

9.7 The Company may allocate amounts received from the Customer in any manner the Company determines, including in any manner required to preserve any Security Interest.

10. PRIVACY AUTHORITY Where Services are supplied to the Customer on credit the Customer irrevocably authorises the Company, its employees and agents to make such enquiries as it deems necessary to investigate the credit worthiness of the Customer from time to time including (but without limiting the generality of the foregoing) the making of enquiries of persons nominated as trade referees, the bankers of the Customer or any other credit providers (the information sources) and the Customer hereby authorises the information sources to disclose to the Company such information concerning the Customer which is within their possession and which is requested by the Company.

11. SEVERABILITY If any provision of part thereof is invalid, illegal or incapable of enforcement, then it shall be severed from the remainder of this Agreement, which shall remain in full force and effect unless the basic purpose of this Agreement would thereby be defeated.

12. GOVERNING LAW Agreements between the parties shall be deemed to be made in Queensland and shall be governed by the law of Queensland.
